Dear Members,

On May 11, 2009 I became the President of the Columbia Association. I want to express my thanks to all of you for your support. It is an honor and a privilege for me to be your President. Moreover, I do not take this responsibility lightly. Our message is simple, our vision is clear, put family first and promote the Italian culture. The new executive board and I are united and determined to move forward. The board is comprised of people who are motivated to achieve the long lasting success of this association. Our decisions will be based on what is best for the association and its members. Ultimately, the executive board will make most of the decisions. However, during the decision making process I invite and encourage you to share your opinions and suggestions with us. The strength, dedication and resolve of each member will determine our success as an organization. Each individual is an integral part of the whole and the whole sustains the individual. I invite all members to attend the monthly meetings in order to participate in association business. I want to assure you that your executive board is dedicated to the success of our association.

Further, feel free to contact your delegate, trustee or executive board member for information or log onto our website at <http://www.nycdcolumbia.com/>.

Sincerely,

Michael Maiello
